47. Admission of all communities to the Sukhanasi chamber of all temples.

Mr. T. V. Veeranna, Chamarajnagar Taluk

Mr. T. V. VEERANNA represented that the present restriction of admitting people of only Brahmin caste to the sukhanasi chamber of temples might be removed and people of all castes allowed admission to such parts.

The Chief observed that that was a local subject which has to be regulated by mamool and local usage and that interference with long established practice might lead to difficulties. He added that the reform contemplated by the Member could be introduced only gradually and that Government could not compel people to a particular course of action in matters religious
